

Trenza Family Collection

Opaque ruby red with thick legs. Deep and dark aromas of blackberries, black cherries, ripe plums combined with a rich mixture of Asian spices, toasted oak and cigar box. On the palate the black fruits are intensified by the complimentary notes of rich chocolate, toasted oak and cappuccino. The wine is full bodied, filling your mouth with lots of ripe tannins and juicy fruit. The wine has a long lingering finish. The wine will keep nicely throughout 2035.
